Quality Policy Statement

Jordan Manufacturing Limited is committed to providing Customers with quality products and services.

Products and services will meet Customers' expectations and be:-

- Supplied at competitive prices,
- Delivered on time,
- Supplied and executed with absolute attention to safe working practices benefiting Employees, Customers and the Public,
- Compliant with quality objectives,
- Compliant with legislation, statutes, codes, environmental considerations, health and safety requirements and in such a manner as to promote the conservation of energy and materials.

To enable the Company to fulfil these objectives, it is organised so that the human resources, technical and administrative aspects of the business are under continual surveillance and improvement.

The application of a Customer focused philosophy within a quality management system that meets the requirements of BS EN ISO 9001: 2000, is constantly being monitored and developed.

The ultimate authority and responsibility for ensuring the Quality Policy is conveyed, implemented and monitored rests with the Managing Director.

All Managers and Departmental Heads, Supervisors and Employees have a continuing responsibility to ensure that Customer satisfaction is achieved.
